

## About RGE Group

Right Guide Edu-Tech (India) Pvt. Ltd. is a company incorporated in 2015 and managed by a team of experienced professionals. Our company organizes mental arithmetic abacus competitions at the level of district, state, and country bases in different levels of District, State, National and International competitions every year.

## Our Aim

The main purpose of organizing open competition is to allow students from all the centres to compete on a common platform and develop a healthy competitive spirit amongst the participants while giving them an opportunity to showcase their talent.
